

**REMARKS**

The current amendment is filed to correct a formal matter in the specification. In the Office Action mailed January 11, 2006, the Examiner requested that the section "Legend of Figure 1" appearing on page 20, lines 17-20 be deleted from the specification and added to Figure 1 upon submission of formal drawings. The "Legend of Figure 1" has been added to replacement Figure 1 in the Submission of Formal Drawings filed herewith and is hereby deleted from the specification in accordance with the Examiner's instructions.

The current amendments are needed for proper disclosure and protection of the invention, and do not require a substantial amount of additional work on the part of the United States Patent and Trademark Office. Accordingly, Applicants respectfully request entry of the amendment prior to issuance of the patent. If the Examiner believes any informalities remain in the application that may be corrected by an Examiner's amendment, or there are any other issues which can be resolved by telephone interview, a telephone call to the undersigned agent at (404) 572-2447 is respectfully solicited. The Commissioner is hereby authorized to charge any additional fees, or to credit any overpayment, to Deposit Account No. 11-0980.

Respectfully submitted,
